## Ore-Cal Senior Forward Tee Rules

- **Players age plus handicap must equal 90 at the beginning of the season.**
- **Players must choose which tee they will play at the beginning of the season and must play from the tee that they choose for the remainder of the season.**
- **Any player whose handicap and age is less than 90 for two(2) consecutive tournaments will be required to move back to the regular tees.**
- **Players handicaps will be calculated based on the tees that they play from.**
- **Players hitting from the forward tees will hit after the players who are playing from the regular tees.**
- **I understand that my current handicap will drop accordingly based on playing from the forward tees.**
- **All other USGA and Local rules apply.**
